

FERRITE DISCS WITH LOGO

Personalized discs with logo are the best option to promote your activity or to produce your souvenir magnets. They are available both in neodymium and ferrite with different strength of attraction and dimensions, depending on your needs.

All measurements are in millimeters. Other sizes and shapes on request.

CODE	TYPE	DIAMETER	H	STRENGTH KG
ML04.FE0000.202	FERRITE	20	2	0,30
ML04.FE0000.303	FERRITE	30	3	0,60
